216 beb saadoun, tunis

Education :

Institut Supérieur des Arts Multimédia de la Manouba

Bachelor of Computer
Science 2021

Certification:

**MEAN Full Stack
Developer**

Personal profile

Having recently graduated from the University of Manouba with a degree in Computer Science, I have completed one internship within web development. Also having a career as a freelancer gave me the chance to get more knowledge, learn new technologies and get experience in web development. I am very ambience person I have strong technical skills as well as excellent interpersonal skills, enabling me to interact with a wide range of clients. I am eager to be challenged in order to grow and further improve my IT skills.
